The Twin Cities:

If you’re from out of town, you’ll find there are countless things to do and places to go. An exciting and friendly metropolitan area, Minneapolis and St. Paul (the “Twin Cities”) are filled with lakes and parks, and offer incredible diversity that may catch some visitors by surprise. We are an educational and cultural capital, financial heart and industrial center. We’ve got the biggest mall (Mall of America), the most theater seats (second only to New York City), and beautiful landscape with over 22 lakes and many golf courses. Be sure to capture some of the excitement of this cosmopolitan city.
